## Testimonials:

**James and Claudia (Utah)**

*The cabin is everything described and very well supplied. The solitude and silence was magnificent. We enjoyed watching the ice melt and being able to observe the wide variety of birds in their natural habitat. The location was perfect for our anniversary week and coming back to the cabin was a nice way to end each days adventure in and around the area. James and Claudia May 2011*

**Chris (Fairbanks)**

*What a great cabin, we were very surprised with how nice this cabin is. We stay in alot of cabins and thi is by far the most comfortable one yet! The views are great the location is wonderful. We had a great ride the snow was excellent. Can't wait to go again. Ben you and your family have a wonderful place and we appreciate you guys letting use stay there.*
